F-IRV is working to bring Instant Runoff Voting to Ferndale mayoral elections through a Nov. 2004 ballot initiative. IRV is a simple to use, full-choice voting method, allowing voters to rank their choices on the ballot in order of preference "1-2-3." IRV increases voter choice, makes every vote count, encourages more positive campaigns, and ensures majority winners. Join local leaders like Mayor Porter and Councilman Covey, as well as national Democratic, Republican, Green, Libertarian, and other leaders in endorsing IRV today!"
